

SAATICHEM™

MATERIAL SAFETY DATA SHEET

1. PRODUCT AND COMPANY IDENTIFICATION

Product Name: SAATICHEM DIRECT PREP 4

General Use: Degreasing cleanser for screenprinting mesh.

Manufacturer: SAATICHEM
901 N. Business Center Drive, Mount Prospect, IL 60056 USA
Tel: 1-877-296-7697 or 1-847-296-7697 (Monday-Friday 8:00am – 4:30pm CST)
Fax: 1-847-296-7408
www.saati.com

Emergency Telephone Number: INFOTRAC 800-535-5053 or 352-323-3500, 24-hours everyday

2. COMPOSITION/INFORMATION ON INGREDIENTS

Hazardous Components	Percentage	CAS Number	OSHA PEL	ACGIH TLV
Alcohol Ethoxylate	<10	68551-12-2	N/D	N/D
Disodium Trioxosilicate	<10	6834-92-0	N/D	N/D

*** The specific chemical identity and/or weight percent is being withheld as a trade secret

3. HAZARDS IDENTIFICATION

Warning – No none health effects however, prolonged and/or overexposure to solvent vapors may have an adverse effect on the respiratory, reproductive, and central nervous systems, liver and kidneys

Medical conditions generally aggravated by exposure: Dermatitis, pre-existing respiratory problems.

Symptomatic routes of exposure:

Skin Contact: Prolonged exposure may cause irritation.

Eye Contact: Direct exposure may cause irritation and tearing.

Inhalation: Vapor and/or mist may irritate mucous membranes of the respiratory tract.

Ingestion: Large quantities are harmful and will cause gastro-intestinal irritation and/or damage .

4. FIRST AID MEASURES

Eyes: Irrigate with water for 15 minutes. Seek medical advice if irritation persists.

Skin: Wash with soap and water. Wash contaminated clothing separately before using them again.

Ingestion: Do Not induce vomiting. Drink plenty of water, seek medical attention and treat symptomatically. Do not give anything by mouth to an unconscious person.

Inhalation: Remove victim to fresh air. If irritation persists, seek medical attention.

5. FIRE FIGHTING MEASURES

Flash Point / Method: N/A

Flammable Limits: N/A

Extinguishing Media: Water spray, carbon dioxide, foam, or dry chemical.

Autoignition Temperature: N/A

Protection of Fire Firefighter: Wear self contained breathing apparatus and full protective clothing.

Fire & Explosion Hazards: None known.

6. ACCIDENTAL RELEASE MEASURES

Small spill: Collect spilled material and transfer to proper disposal site.

Large spill: Absorb with sand or other inert material and transfer to proper disposal site.

7. HANDLING AND STORAGE

Store in dry, cool conditions and in the original containers. Gloves, dust mask, and goggles may be worn as a practice of good industrial hygiene.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Engineering Controls: Follow the good industrial hygiene practices adopting suitable individual protective measures such as gloves and goggles. Do not eat or smoke while handling the product. Wash hands before eating and at the end of the work shift.

Respiratory Protection: Not required, but an NIOSH approved organic vapor cartridge when adequate local exhaust is not available.

Skin Protection: PVC/ Latex/ Neoprene recommended.

Eye Protection: Goggles/ safety glasses recommended.

Other: Apron recommended.

9. PHYSICAL AND CHEMICAL PROPERTIES

Physical State: Liquid.

Appearance: Clear

Odor: Faint

Vapor Pressure: as water

Specific Gravity: 1.00 kg/L @ 20°C

Solubility in Water: Completely

pH: 11.0-13.0

Vapor Density: >1

Evaporation Rate: <1

Boiling Point: 100°C

Melting Point: 0°C

Percent Volatiles: >90

Volatile Organic Compounds: 40g/L (less water and exempt solvents)

10. STABILITY AND REACTIVITY

Stability: This product is stable in normal conditions of use and storage.

Conditions to avoid: Heat

Materials to avoid: Strong oxidizing agents, acids and bases.

Hazardous decomposition products: Carbon dioxide, carbon monoxide, aldehydes, ketones, organic acids, oxides of sulfur.

Hazardous polymerization: Will not occur.

Explosion Data: None known.

11. TOXICOLOGICAL INFORMATION

According to currently available data, this product has not produced health damages. However, it should be handled according to good industrial practices.

Carcinogenicity: No

Acute Toxicity Data:

LD₅₀: For Disodium Trioxosilicate: 847mg/kg oral (rat); For Alcohol ethoxylate: 2000-5000 mg/kg oral (rat)

LC₅₀ : N/D

12. ECOLOGICAL INFORMATION

Ecological information is not available.

13. DISPOSAL CONSIDERATIONS

Dispose of in accordance with all current local, state, and federal regulations.

14. TRANSPORT INFORMATION

US DOT: Not Regulated

Transport Canada: Not Regulated

IATA: Not Regulated

IMO: Not Regulated

ADR: Not Regulated

RID: Not Regulated

IMDG: Not Regulated

15. REGULATORY INFORMATION

US Federal Regulations

TSCA: All components of this product are listed on the TSCA Inventory.

CERCLA (40 CFR 117.302): This material contains no Reportable Quantity (RQ) Substances.

SARA Title III (40 CFR 372)

Section 311/312 Hazard Categories: None.

Section 313 Reportable Ingredients: None.

US State Regulations

Pennsylvania Right-To-Know Act reportable components: None.

California Proposition 65 reportable components: None.

Canadian Regulations

DSL: All components of this product are listed on the Domestic Substances List.

Danger labeling under regulations 67/548/CEE and 1999/45/CE and following amendments and adjustments.

Workers exposed to this chemical agent do not need to undergo health checks, provided that available risk-assessment data prove that the risks related to the workers' health and safety are modest and that the 98/24/CE regulation is respected.

16. OTHER INFORMATION

HMIS Rating: Health-0, Fire-0 , Reactivity-0 , Personal Protection-B

MSDS prepared by: Joey Mucha, Regulatory Affairs Coordinator

Supersedes Date: September 5, 2002

Revision Date: February 16, 2004

Note for users:

The information contained in the present sheet is based on our knowledge, on the date of the last version. Users must verify the suitability and thoroughness of provided information according to each specific use of the product. This document must not be regarded as a guarantee on any specific product property. The use of this product is not subject to our direct control; therefore, users must, under their own responsibility, comply with the current health and safety laws and regulations. The producer is relieved from any liability arising from improper uses.
